French artisanal steel glass partitions

At MAISON JANNEAU, we transform every space into a functional work of art, blending timeless elegance with modernity. Our distinction lies in our ability to bring each client's unique vision to life, with each glass partition becoming an individualized piece of art, meticulously designed to fit seamlessly into your space. Meticulous craftsmanship and attention to detail are the cornerstones of our approach, ensuring exceptional creations at every stage. Beyond aesthetics, our team of engineers guarantees uncompromised functionality, combining high-quality steel with cutting-edge manufacturing techniques.

Each creation is a perfect harmony between art and science, adding unmatched value to your environment. Our commitment to the environment is as strong as our passion for design, minimizing our carbon footprint with sustainable materials and eco-friendly practices.

# Steel this noble material

*At the heart of every MAISON JANNEAU glass partition lies a meticulous choice: the exclusive use of steel, a noble canvas par excellence. For us, steel is not merely a structural element but an artistic centerpiece that embodies luxury, durability, and exceptional French craftsmanship.*

Steel, rooted in French architectural history, has left its mark on iconic monuments such as the Eiffel Tower. Embodying strength and stability, choosing steel for our custom-made glass partitions is a statement of trust in longevity and durability. Each creation is imbued with the resilience of steel, ensuring exceptional resistance over time and a lifelong investment for our discerning clients.

Steel, a malleable material, offers an infinite palette for our creative artisans. Each glass partition thus becomes a personalized work of art, capturing the essence of our clients' vision, whether for sleek designs or classic patterns. Carefully crafted, steel reveals a smooth and luminous surface, uniquely capturing and diffusing natural light, transforming every space into an oasis of beauty.

Beyond its aesthetic qualities, steel is an ecological choice, infinitely recyclable, underscoring our commitment to sustainability. Opting for a custom-made steel glass partition from MAISON JANNEAU means choosing a responsible approach that combines environmental respect with timeless luxury.

Celebrating French craftsmanship, each glass partition is the result of meticulous work by passionate artisans, infusing every creation with the soul of those who have dedicated their expertise to it.

Our team, a perfect fusion of artistic creativity and cutting-edge engineering, shares a common passion for excellence, contributing to making each glass partition an exceptional piece.

# Sky is the limit

- Your Vision, Our Reality -

At MAISON JANNEAU, we understand that every space is a blank canvas, ready to showcase the centerpiece that will transform it into an architectural masterpiece. That's why we invite you to explore the art of exclusivity through our luxury custom-made glass partitions, where every detail is a personalized expression of your unique style.

## THE INFINITE PALETTE OF DESIGNS

Step into a world of boundless creativity, where each design is a timeless expression of elegance. From sleek, modern lines to classic, enduring motifs, every piece is carefully crafted to transcend fleeting trends and create a lasting impression in your space.

## UNMATCHED RICHNESS IN COLOR

Color is the heartbeat of ambiance. Choose from an exquisite palette of luxurious finishes that breathe life into your glass partition. From rich metallic tones to delicate, understated hues, each shade is applied with artistic precision, infusing your space with a sophisticated touch that's as striking as it is refined.

## THE NOBLE ESSENCE OF MATERIALS

Your custom-made glass partition deserves a material as extraordinary as your vision. Choose the strength and grace of steel, or indulge in the opulence of bronze or brass. Each noble material is carefully selected for its unique brilliance, bringing an added layer of luxury to your space.

## DESIGNED FOR YOU, CRAFTED BY US

At MAISON JANNEAU, every custom glass partition is not just a product—it's an experience. Our dedicated team of designers, artisans, and engineers work in harmony to bring your vision to life. With an unwavering commitment to excellence, every step of the process ensures that your partition becomes a functional work of art, crafted to exceed even your highest expectations.

Each MAISON JANNEAU sliding glass partition embodies the perfect symbiosis of high-end aesthetics and durability, promising uncompromising elegance and remarkable longevity in your exclusive space.*

# Colors and finishes

## BRASS: A TOUCH OF ELEGANCE

Brass, the epitome of noble materials, graces our high-end interior glass partitions with elegance, adding a touch of prestige and warmth. Its natural luster and ability to capture light elevate every detail, offering an exceptional aesthetic for those seeking exclusivity and harmony within their interiors.

## BRONZE: A SYMBOL OF REFINEMENT

Bronze, an exceptional metal, stands out in our high-end interior glass partitions. A symbol of timeless refinement, it brings an aura of luxury and sophistication to your space. Its unique patina and subtle texture add an artistic dimension, turning glass partitions into both functional elements and timeless works of art, perfect for those who appreciate exclusivity and exceptional quality.

## STAINLESS STEEL: CONTEMPORARY ALLURE

Stainless steel, the ultimate contemporary material, defines our high-end interior glass partitions. Embodying modernity and durability, stainless steel offers a cutting-edge aesthetic. Its flawless finish and unmatched resilience make it the ideal choice for those seeking partitions that are both functional and innovative in design, creating a distinctive and modern atmosphere.

## POWDER-COATED STEEL

A durable protection against corrosion that extends the lifespan of treated objects. It allows for the creation of a smooth, sanded, or textured finish, adding an aesthetic touch to your designs. Powder coating is also environmentally friendly, as it contains no harmful solvents. A wide variety of colors is available for customization according to your tastes and desires.
