At Maison Janneau, we believe that the entry to a home is more than just a door—it's a statement of style, a symbol of craftsmanship, and a gateway to a world of elegance. Our entry doors embody the timeless beauty and unparalleled quality that have been the hallmark of our brand for decades. Meticulously crafted from the finest materials, each door is a fusion of traditional artisanship and modern design, offering not only a grand entrance but also the warmth and character that only wood can provide. Explore our established designs or let yourself be inspired to create your own. Our entry doors are made exclusively in France, in the heart of the Nantes region. From manufacture to installation, we are committed to perpetuate French know-how.

Your Entrance door

Your entrance door is the first gesture of hospitality you extend to your visitors, a statement that blends security, aesthetics, and personal style. Our doors are designed to help you create that memorable first impression. With six unique inspirations, you'll find the perfect silhouette to reflect the elegance of your home.

Evoking warmth and tradition, our wood doors are crafted from high-quality materials to bring character and elegance to your home. Feel the inspiration to create your own! Each door we craft is unique, reflecting the natural grain of wood and promising strength and insulation. Wood offers timeless beauty and can be customized with stains and finishes to suit any aesthetic. It's the perfect choice for adding a touch of naturalness and refinement to your home.

Customization

Our entry doors are tailored to your needs : you have the power to design and configure your door. With its complete customization, it will become a distinctive feature of your home.

1

SHAPE & CONFIGURATION

Choose the shape and configuration of your entry door : rectangle, arched, double doors, transom, fixed sidelites, etc.

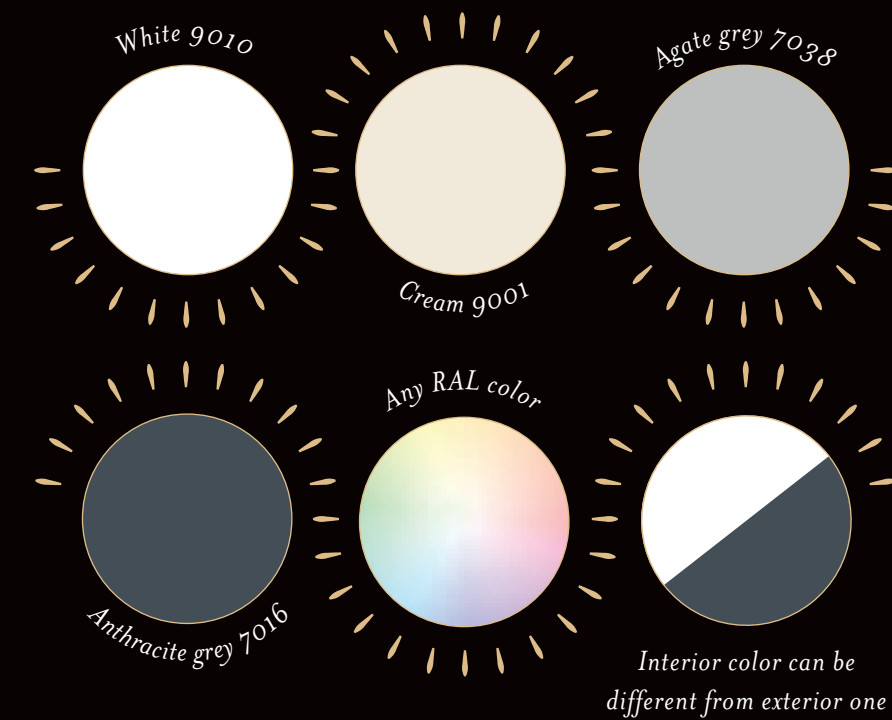

Customization
